Address	Grade
Phone	Subject Area

Please rate how BizWiz helped your students develop 21st Century skills by putting a check (✓) in the box below the appropriate number in the table.

☹ One = little to no help on improving skills. ☺ Five = significantly helped improve these skills

☹	1	2	3	4	☺	21 st Century skills
						Financial, economic, business and entrepreneurial literacy
						Using entrepreneurial skills to enhance workplace productivity and career options
						Knowing how to make appropriate personal economic choices
						Understanding the role of the economy in society
						Basic 21st Century skills
						Builds understanding across and among core subjects as well as 21 st century interdisciplinary themes
						Engages students with the kind of real-world data, tools, and experts they will encounter in college, on the job, and in life—to solve meaningful problems
						Communication and Collaboration
						Articulate thoughts and ideas effectively using oral, written, and nonverbal communication skills in a variety of forms and contexts
						Listen effectively to decipher meaning, including knowledge, values, attitudes, and intentions
						Use communication for a range of purposes (e.g., to inform, instruct, motivate, and persuade)
						Utilize multiple media and technologies, and know how to judge their effectiveness as well as assess their impact
						Communicate effectively in diverse environments (including multi-lingual)
						Demonstrate ability to work effectively and respectfully with diverse teams
						Exercise flexibility and willingness to be helpful in making necessary compromises to accomplish a common goal
						Assume shared responsibility for collaborative work, and value the individual contributions made by each team member
						Creativity and Innovation
						Use a wide range of idea-creation techniques (such as brainstorming)
						Act on creative ideas to make a tangible and useful contribution to the field in which the innovation will occur
						Create new and worthwhile ideas (both incremental and radical concepts)
						Elaborate, refine, analyze, and evaluate their own ideas in order to improve and maximize creative efforts
						Develop, implement, and communicate new ideas to others effectively
						Be open and responsive to new and diverse perspectives; incorporate group input and feedback into the work

1	2	3	4	5	
					Demonstrate originality and inventiveness in work and understand the real-world limits to adopting new ideas
					View failure as opportunity to learn; understand that creativity/innovation is a long-term, cyclical process of small successes/frequent mistakes
					Critical Thinking and Problem Solving
					Identify and ask significant questions that clarify various points of view and lead to better solutions
					Use various types of reasoning (inductive, deductive, etc.) as appropriate to the situation
					Analyze how parts of a whole interact with each other to produce overall outcomes in complex systems
					Effectively analyze and evaluate evidence, arguments, claims, and beliefs
					Analyze and evaluate major alternative points of view
					Synthesize and make connections between information and arguments
					Interpret information and draw conclusions based on the best analysis
					Reflect critically on learning experiences and processes
					Solve different kinds of unfamiliar problems in both conventional and innovative ways

Please choose one of the skills above that you rated a 4 or 5 and give specific examples or quotes of how BizMovie helped students achieve these skills.

Please choose one of the skills above that you rated a 3 or below and give specific examples or quotes of how BizMovie could be modified to help students achieve these skills.

Would you be interested in receiving additional donated materials and sponsored professional development by becoming a teacher champion? How would you like to get involved?

√	Check all that apply	√	
	Engage in professional development opportunities by attending a conference or holding an in-service training about BizMovie		Help develop or share supplementary resources/strategies that have worked in your classroom
	Publicize BizWiz through web-based media (e.g., blogs, photo albums, videos)		Have students write a thank-you letter to the donor connected to your kit
	Publicize BizWiz through traditional media (sending press releases to newspapers, TV stations, etc.)		Help develop and/or conduct an impact study of BizWiz in your classroom
	Raise additional funds for your school by applying for grants, communicating with donors, or contacting legislative members		Build a financial learning community in your area by reaching out to local businesses (resources provided by The BizWorld Foundation)

Already a teacher champion? You may already be eligible for resources and support.
